

Platform Module Review Form

INSTRUCTIONS

Complete this form and return it to the Strategic Initiatives and Sales Ops department by the listed due date.

This form is specifically designed to update the training modules for the markets we serve. To begin, you will be asked several open-ended questions about the platform before providing specific feedback on the existing module.

As you complete this form, please remember that these modules are for all Commercial team members, with a special emphasis on new employees. The information you provide will be used to update this training module. In addition to updating the content, including any additional information that would be relevant to training.

This could include:

- Your thoughts about what in the content is particularly critical, frequently needed, or difficult to master.
- Your ideas for activities or real-world scenarios that would be helpful to new hires.
- Tips or tricks that have helped you excel.

Review Date:

Please answer the following questions in the spaces provided. Remember, these answers do not need to be extensive or highly technical since this module is designed to be a high-level overview for our team members.

Your answers can be general with brief explanations that focus on clarity and points of emphasis.

Why is this platform vital to our company? What makes us unique in this space?

How has this platform evolved during the past year? What improvements and innovations have happened?
